

Empowering Schools, Enriching Futures

Your Trusted Partner in Educational Transformation

EMPOWERING EDUCATION

Across India —————

Itish EduConsulting is an education consultancy firm focused on supporting K-12 schools. We began by concentrating on Maharashtra and are now expanding our reach. Our goal is to provide innovative and sustainable solutions that improve education for students, parents, teachers, and school leaders.

OUR VISION

To be India's most trusted partner for transforming schools by helping institutions provide high-quality, inclusive, and future-ready education.

OUR MISSION

Guide: Help institutions achieve academic excellence and smooth operations.

Enhance: Improve the experience of all school stakeholders through thoughtful design, technology, and training.

Promote: Drive long-term improvements through partnerships, innovation, and professional development.

OUR VALUES

Integrity: We uphold honesty and transparency in every recommendation.

Empathy: We recognize the unique needs of institutions, educators, and learners.

Excellence: We aim for the highest quality in every project.

Sustainability: We design solutions that encourage lasting growth and impact.

MR. VIKRAM BALASAHEB DESHMUKH

Co-Founder & Director

Vikram has over twenty years of experience in education and law. He is a skilled Edu-Legal Strategist and Consultant.

He has successfully guided many institutions in India through complex regulatory processes, including RTE compliance, affiliation norms (CBSE, ICSE, IB), and policy implementation.

His practical approach focuses on creating better schools through legal clarity and clear strategies.

ANVIT PHATAK

Co-Founder and Director

Anvit Phatak is a computer engineer by training and an education innovator by passion. He sees schools as lively communities where learning is meaningful, creative, and ready for the future. He emphasizes technology integration and designs systems that make operations easier, support educators, and enhance school culture.

DR. KEDAR WALIMBE

Founder and Director

Dr. Kedar Walimbe has over twenty years of experience in school management, brand strategy, and operational excellence. He is a visionary in education. He focuses on changing ideas into successful institutions and positioning schools for success through smart marketing and overall growth.

THE ITISH ADVANTAGE

To be India's most trusted partner for transforming schools by helping institutions provide high-quality, inclusive, and future-ready education.

School Management Consultancy:
Complete strategic and operational support.

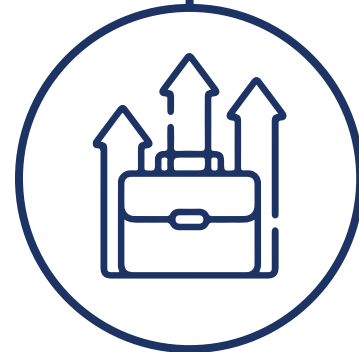

Edu-Legal Advisory:
Specialized legal guidance for the education sector.

GUIDANCE AND SUPPORT FOR NABET ACCREDITATION

Academic Partnerships:

Collaborations for high-quality content and resources.

Career Voyage:

Career guidance and skill development for students.

Training & Capacity Building:

Customised programmes for teachers and leaders.

Quality Enhancement:

Improving experiences for all school stakeholders.

SCHOOL MANAGEMENT CONSULTANCY

1. School Management:

We provide complete, end-to-end support for schools at every stage, from planning and setup to achieving strong operations and growth. Our services include strategic planning, academic and administrative process design, regulatory compliance, and human resource development. We also focus on engaging stakeholders to build trust and satisfaction among management, staff, students, and parents.

2. Guidance and Support for NABET Accreditation & Quality Enhancement:

We assist schools in implementing quality assurance frameworks that meet national and international accreditation standards. Our team guides schools through process audits, documentation, training, and compliance to help them earn certification. We ensure this leads to ongoing quality improvement in education delivery.

3. Academic Partnerships & Content Solutions:

We work with leading education content providers like Britannica to bring top-quality, research-backed learning resources to your school. From enhancing the curriculum and integrating digital content to training teachers on effective classroom use, we help schools provide engaging, world-class learning experiences.

EDU-LEGAL ADVISORY

Specialized Legal Guidance for Education

Navigating complex regulations is crucial. We provide expertise in affiliation norms (CBSE, ICSE, IB), RTE provisions, contract drafting, and dispute resolution. We help ensure that your school remains legally compliant, well-protected, and ready for the future.

Why Itish?

- 1. Domain Expertise:** Our deep knowledge of education law offers reliable advice.
- 2. Risk Mitigation:** We help you address legal challenges and avoid future issues.
- 3. Clarity & Protection:** Our services give you the legal clarity needed to focus on education.

GUIDANCE AND SUPPORT FOR NABET ACCREDITATION

Achieve Quality Accreditation

As an official Project Implementation Partner for NABET, we assist schools in implementing quality assurance frameworks that meet national standards. We guide you through audits, documentation, training, and compliance to achieve and maintain certification.

Why Itish?

- 1. Official Partner:** We are your direct resource for the NABET accreditation process.
- 2. Expert Guidance:** Our team offers hands-on support throughout the process.
- 3. Sustained Quality:** We help you create a system for ongoing improvement, not just a one-time audit.

ACADEMIC PARTNERSHIPS & CONTENT SOLUTIONS

World-Class Learning Resources

We partner with leading education providers like Britannica to bring high-quality, research-backed resources to your school. From enhancing the curriculum to integrating digital content and training teachers, we help you create engaging learning experiences.

Why Itish?

1. Strategic Alliances:
We connect you with top content providers and platforms.

2. Enhanced Learning:
Our solutions improve your curriculum and effectively engage students.

3. End-to-End Support:
We not only provide content; we also train your educators on how to use it effectively.

CAREER VOYAGE

Connecting School Students with Higher Education Institutions Across India & Beyond

Career Voyage, our venture in collaboration with MapMyStudy, helps students (Grades 8–12) make informed career choices by linking them with top Indian and global Higher Education Institutions (HEI). This platform offers real-world exposure and expert support to build their clarity and confidence.

What We Offer:

1. Campus Visits.
2. School Sessions.
3. MapMyStudy Services.
4. School Cells.

Who Can Join?

1. Schools looking for career support.
2. Students & Parents (Grades 8–12).
3. Higher Education Institutions (HEIs).

KEY BENEFITS:

Schools:

Launch a Guidance Cell, promote branding, and improve student outcomes.

Students/Parents:

Receive structured guidance, explore colleges, and discover clear pathways.

HEIs:

Access students directly and increase visibility.
